Maxson Junior High School

Plainfield, New Jersey

ppl-2014-029

The theme of this book is now. It's what's
happening, the "in" trends. Our "highlight"
on the cover is a magic lamp, with two
genuine Maxson genies to tell it like it is.

SPORTS

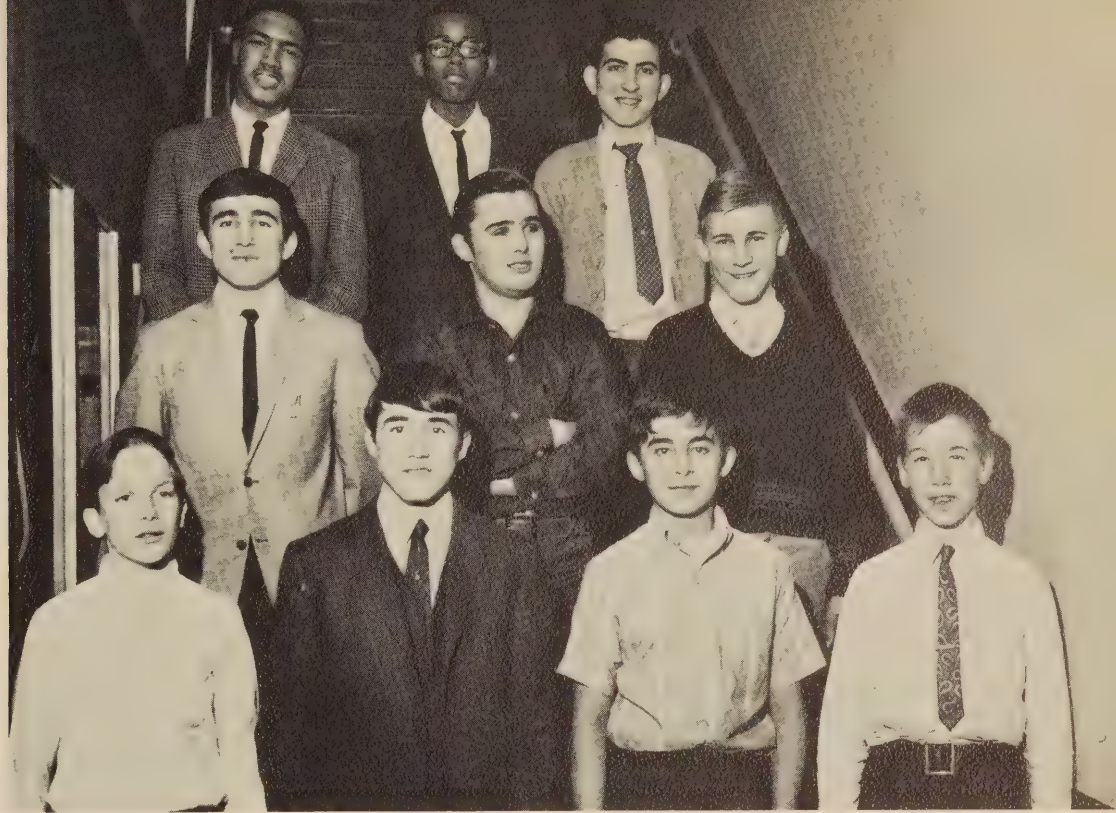

An action shot of the basketball team, a bright picture of our cheerleaders, that's where it's at in sports.

To win is "in", and we had winning teams - even championship teams. Congratulations to the students and the coaches for a good year!

No matter what "bag" you're in (see page 19 for suggestions),
this is a swinging year. 1968 will be remembered for:

mini-skirts

the presidential election

the flower children

Snoopy

controversial topics

long hair

slogan buttons

the Olympics

the beat

and a thousand other things each of us will recall in the years
to come.
